

WE WANT TO BUY YOUR NEW SURPLUS PRODUCTS AND NEW OR USED CIRCUIT BREAKERS

We at B&B Trading are interested in buying your new surplus electrical material and circuit breakers new or used. If you are an electrical or general contractor or industrial facility with leftover project material, a manufacturer with material from a buy back conversion we are and have been the premier choice to sell your material to. We are always looking to add new electrical material and new or used circuit breakers to our inventory. Simply call 800-647-9471 to discuss what you have for sale.

We buy NEW:

- Electrical Fittings, diecast and malleable iron
- Device Boxes, plastic and metal
- Wiring Devices
- Motor and Lighting Control
- Explosion Proof Fittings and Devices
- Conduit and Strut
- Fuses
- Distribution Equipment

We also buy:

- Circuit Breakers, new and used

WE MAKE IT EASY

To start the process simply call 800-647-9471, ask for **Chris Gouin** and discuss the material you have or submit a list of material including quantity, part numbers, condition and photos to cgouin@bb-trading.com.

We look forward to hearing from you!

WE MAKE IT EASY

for you to **MAKE \$OME MONEY** on your inventory that is gathering dust!
